

DUNHILL - DUNHILL FOR MEN - EST. 1934

Opening on deep notes consisting of lavender, geranium, nutmeg and lavender, Dunhill For Men is a decidedly masculine and dominant fragrance. The head transitions to a floral heart of rose, iris, carnation and jasmine before settling on a deep and leathery base of vetiver, tonka bean, sandalwood and cedar.

SCORE & CONCLUSION

Unapologetically old-school and masculine, Dunhill For Men is a throwback to when fragrances for men were a new concept. Whilst it may not be to everyone's tastes, it's a bold statement that could potentially be a mature man's signature scent.
