

DUNHILL - PURSUIT - EST. 2006

When air-tested, Pursuit gives the apprehensive impression of an ambroxan bomb. However, a skin test reveals an entirely different experience. Somewhat reminiscent of D&G The One, it offers a deep citrus head with a spicy ambergris heart before a gourmand amber finish.

SCORE & CONCLUSION

If you're looking for an affordable but masculine fragrance, Pursuit might be worth consideration. It offers a surprisingly positive and mature experience without breaking the bank. However, it's a little short-lived so doesn't perform as well as you might like.
