

DUNHILL - DESIRE BLACK - EST. 2014

Black breaks away from the themes of the previous two fragrances of the Desire range. Opening with a peppery head with bittersweet resinous citrus notes, it follows with a spicy heart of safron, elemi and robust rose. Finally, the base reveals patchouli earthiness, crisp cedar, hearty vetiver, and tantalising frankincense.

SCORE & CONCLUSION

Reminiscent of Dunhill For Men from 1934 thanks to the vetiver, cedar, and rose accords, Desire Black offers a modern twist. If you enjoy the old-school fragrance but are concerned about smelling outdated, Desire Black is an excellent alternative worth considering.
